This material is intended for Telecompetition, Inc., its clients and partners. This report is sold as a single-user license. Multi-user licenses are available at very reasonable rates. Quotation, citation, attribution, reproduction, or utilization of any portion of the publication by any party other than Telecompetition, Inc. is strictly prohibited without express written permission from Telecompetition, Inc. No part of this publication may be reproduced, stored in a retrieval system, or otherwise duplicated, without written consent. Permission will generally be granted to use individual charts, graphs and data points. However, proper citation and sourcing of Telecompetition, Inc. are required, and a courtesy copy of the reference would be greatly appreciated.

Telecompetition, Inc. has taken all reasonable steps to ensure that the information contained herein has been obtained from reliable sources and that this publication is accurate and authoritative in all respects. However, nothing in this publication shall be deemed a warranty, implied or expressed.

The Telecompetition forecast methodology used in this report represents a powerful and consistent approach to developing a bounded forecast. Country-level forecasts are based on known or published demographic, firmographic, technological, economic and other factors built into the *ATIVA Research Tool*[®] model.

Table of Contents

1. EXECUTIVE SUMMARY	1
2. US MOBILE MARKET: 1999 - 2008	2
Figure 2.1. US mobile subscribers and penetration rates: 1999 - 2008.	2
Table 2.2. Top five metro area subscribers and penetration rates: EOY 2003.	3
